

Cash for Mortgage Notes, Lottery winnings, settlements, etc.

Are you receiving monthly, quarterly or annual payments from a mortgage note, lawsuit winnings?

Do you have life insurance you don't want or need?

Need cash now?

We can pay you a lump sum of cash now for your monthly payments from owner financed mortgages, business notes, lottery winnings, structured settlements and annuities. We can also give you cash for your life insurance policy.

Many people in your same position, prefer to have their cash in hand today rather than waiting several years to collect the balance. You could use the money for another investment opportunity, consolidate debts or to send your son or daughter to college.

Whatever the reason, you can sell a portion of your payments to us. Ask about our program and discover how you can receive a lump sum of cash today.

While there are many plenty of reasons to sell your note or settlement, the best reason to sell it to us is our pride on paying the highest price in the industry. Plus, we conduct ourselves in the professional manner you deserve.

Call today for a free, no obligation evaluation of your note, settlement or winnings. With the ability to fund your deal quickly, we guarantee that you'll be glad you chose to do business with us.

Call to find out how you can have cash in your pocket today!
